

### LEAN LEADERSHIP SUMMIT

#### Summit Description

Transformational Leadership, a strong Management System and a supportive Culture – the top three factors for sustaining success in Lean Thinking.

This ½ day Breakthrough Summit will focus on the skills our Leaders need to develop in a Lean Thinking organization.

#### Schedule – Lean Leadership Summit

1. Introduction to the Summit's objectives
2. Key note speaker – David Mann (Author - [Creating a Lean Culture](#)) – Being the Sensei: Engaging your executives in the Lean Initiative
3. Rapid Development Event – Jim Winn (Tremco) - Leader Standardized Work
4. Lean Leadership Round Table Panel Discussion – Glenn Sommerville (Amazon), Mario Grande (L3 Wescam), Don Shilton (St. Mary's General Hospital), Marilyn Thompson (University of Waterloo)
5. Event Wrap Up – Leadership skill development commitment – The 28 Day Leadership Challenge.
