Share Showcase – 2016

Celebrate your Team's Achievements

Our 10th annual Share Showcase celebrates the best achievements by our consortium members in 2016. It is the largest best practice sharing event of the year for the HPSC consortiums.

Share Showcase Format

Each member company team has 10 minutes to make their best practice presentation and to engage the audience for their questions and feedback.

The goal is to have 100% consortium member participation through sharing a best practice or sending a team to learn and to have every person attending apply at least one idea to their own organization through a small kaizen improvement.

Best Practice Awards

Our panel of judges will present the awards at the end of the event based on effectiveness of the presentation as well as learning and application to the audience.
